

Fenwick High School Entrance Exam 2025: Extended Time Requests

Fenwick High School will offer 50% extended time to prospective Friars. Please submit one and/or both of the following documents*:

- Current IEP/504/Official Accommodations Plan from grammar or middle school; and/or
- Current (within three years) and complete psycho-educational evaluation.

*Please note that in order to receive 50% extended time on the entrance exam, this accommodation must be currently provided to the student in the school setting and the submitted documentation must reflect that. Incomplete documentation is not accepted.

Documentation should be submitted to Mrs. Grace David and Mr. Kyle Kmiecik by December 1, 2025. Documentation in hard copy, can be dropped off at the main office. Documentation may also be scanned and emailed to gdavid@fenwickfriars.com and kkmiecik@fenwickfriars.com.

After Fenwick has received and reviewed the documentation, families will receive more information about testing procedures on the day of the exam.
